## Document Management for Tone of Voice

- **Document Import:**
  - Easy drag-and-drop file upload interface supporting PDF, Word (.docx), and Text files.
  - Clear prompts guiding users on accepted file formats and size limits.
- **Project-Based Document Organization:**
  - Documents grouped by associated projects.
  - Expandable sections for easy navigation and management.
- **Document Management Tools:**
  - Add new documents directly under project categories.
  - Select multiple documents for batch operations (delete or archive).
  - Clear visual indicators for document status (processed, pending).
- **Search and Filter:**
  - Quick search bar for instant document retrieval.
  - Filters to sort documents by project, status, or upload date.
